

Odoo 12 Features, enhance and boost from 11

Odoo 12 – The Latest version of Odoo will be released soon.

After our testing of lastest ver. 2018-09-04.

Here is a summary of what you can expect to find in the new version.

1. Report Designer (Odoo Studio):- Functional people can edit and style reports using the Odoo studio and easier than ever

The screenshot shows the Odoo Studio interface for report design. On the left, there's a sidebar with various settings like margins, text decoration, and visibility rules. The main area displays a generated PDF document for an order. The PDF header includes the Sunpop logo and contact information: "Sunpop.cn", "China 广东省广州市A座/910 白云区增槎路杰丰电商大厦 510000". Below the header, the order details are listed: "Order # SO072", "Your Reference: DPC", "Date Ordered: 09/03/2018 23:05:09", and "Salesperson: System". The main content is a table of order items:

Description	Unit	Quantity	Price	Taxes	Amount
[SERV_585189] Customer Care (Prepaid Hours)	Hour(s)	150.000	250.00	15.00%	\$ 37,500.00
[SERV_89665] Junior Architect (Invoice on Timesheets)	Hour(s)	10.000	100.00	15.00%	\$ 1,000.00
[PCSC234] Computer SC234	Unit(s)	0.000	26.67		\$ 0.00
[HA0] Hotel Accommodation	Day(s)	0.000	75.00		\$ 0.00

2. Document Management System. Cataloged by Sale, Purchase, MRP, Project, etc...

The screenshot shows a document management system with a dark-themed interface. On the left, there's a sidebar with a tree view of folders and a 'Signed' folder highlighted. The main area displays a list of files: 'icon152.png' (image), 'v16odooApp精益制造平台方案_brief.pdf' (PDF file with a checkmark and a signature template link), 'dashboard_01.gif' (image), and 'berp1.png' (image). A detailed view of the PDF file is shown on the right, featuring its cover page with a red signature box, download and sharing buttons, and metadata fields like '文件名称' (File Name) and 'Partner'. Below the file details, there are sections for 'Actions' and 'Create a signature template for signed templates'.

3. Two new views: Dashboard and Cohort. Get cohorts and dashboards for any object.

eg: Quick glance of Inventory and CRM.

6. New Activity Manager, Easy to integra with sale, purchase, mrp or any Apps.

The screenshot shows the Odoo Sales module interface for a quotation. At the top, there's a navigation bar with tabs like Sales, Orders, To Invoice, Products, Reporting, and Configuration. The main area is titled "Quotations / SO003". Below the title, there are buttons for EDIT, CREATE, SEND BY EMAIL, PRINT, PREVIEW, CONFIRM, APPLY COUPON, UPDATE PROMOTIONS, and CANCEL. A progress bar indicates the status: QUOTATION (green), QUOTATION SENT (blue), and SALES ORDER (grey). On the right side, there's a sidebar titled "Quotation of Sunpop.cn" with activity counts: 0 Late, 0 Today, and 5 Future. Below this, there's a "Notes" section with similar activity counts. A red box highlights this sidebar area. Further down, there's a "Planned activities" section with four items: "Meeting for deploy detail" (Tomorrow), "Follow the price" (Tomorrow), "Call to manager for contract" (Due in 3 days), and "Upsell the MRP solution" (Due in 27 days). Each item has options to "Mark Done", "Edit", or "Cancel". Another red box highlights this section. At the bottom, there's a summary table with columns for Product, Description, Ordered Qty, Unit of Measure, Route, Unit Price, Cost, Taxes, Discount (%), and Subtotal. The total for the table is \$1,127.50. Below the table, there are sections for Untaxed Amount (\$1,127.50), Taxes (\$0.00), Total (\$1,127.50), and Margin (\$367.50). A red box highlights the "Planned activities" section. At the very bottom, there's a "Yesterday" section with a System message indicating the Quotation was created.

7. OdooBot. Config an auto helpdesk for you client.

The screenshot shows the Odoo Live Chat interface. On the left, there is a sidebar with a message from OdooBot: "Hello, I'm here to help you discover chat features. Try answering me with an emoji 😊". A user named "YourCompany, Mitchell Stephens" has responded with "Great! :) Did you notice that you can also send attachments, like a picture of your cute dog? Try it!". At the bottom of the sidebar, there is a text input field with placeholder text "Write something..." and three small icons: a smiley face, a paperclip, and a file icon.

The main area is titled "Live Chat" and shows "Canned Responses". It has tabs for "CREATE" (which is selected) and "IMPORT". There are filters, group by, and favorite options at the top right. The list of canned responses includes:

Shortcut	Substitution
<input type="checkbox"/> hello	Thanks to support Sunpop.cn. How may I help you?
<input type="checkbox"/> bye	Thanks for your feedback. Good bye!

8. Multi-Website.

The screenshot shows the Odoo website configuration page. At the top, there's a navigation bar with icons for Overview, Orders, Products, Blogs, Slides, Twitter Wall, Forum, Reporting, and a plus sign. To the right are user icons and the 'Sunpop' logo. Below the navigation is a search bar labeled 'Search...'. Underneath the search bar are buttons for 'CREATE' and 'IMPORT'. To the right of these buttons are filters for 'Filters', 'Group By', and 'Favorites', along with a page number '1-2 / 2' and navigation arrows. The main table has columns for 'Website Name', 'Website Domain', 'Country Groups', 'Default Language', and 'Theme'. There are two entries: one for 'www.sunpop.cn' with 'localhost' as the domain, 'Chinese (Simplified) / 简体中文' as the language, and no theme selected; and another for 'www.odooapp.cn' with '0.0.0.0' as the domain, 'English' as the language, and no theme selected.

Website Name	Website Domain	Country Groups	Default Language	Theme
<input type="checkbox"/> www.sunpop.cn	localhost		Chinese (Simplified) / 简体中文	
<input type="checkbox"/> www.odooapp.cn	0.0.0.0		English	

9. Add some steps in your manufacturing process in just one click! Define if you need to pick the components before starting the production or if you want an additional step to store the finished products after the production.

11. Super clean and clear Accounting Reports.

The screenshot shows a clean, modern accounting dashboard with a dark header and a light orange background for the main content area. The header includes a navigation bar with links for Accounting, Dashboard, Customers, Vendors, Accounting, Reporting, Configuration, and a user profile for Sunpop. Below the header is a search bar with filters, group by, and favorite options. The main content is organized into four main sections:

- Company Data**: Setup your company's data for reports headers. Includes a "Let's start!" button.
- Bank Account**: Setup your bank account to sync bank feeds. Includes a "Add a bank" button.
- Fiscal Year**: Define your fiscal years opening & closing dates. Includes a "Configure" button.
- Chart of Accounts**: Setup your chart of accounts and record initial balances. Includes a "Review" button.

Below these sections are four detailed reports:

- Customer Invoices**: Sale. Shows 3 Invoices to Validate (\$47,679.55) and 8 Unpaid Invoices (\$22,769.20). Includes a timeline from Past to Future.
- Vendor Bills**: Purchase. Shows 1 Bills to Validate (\$-30.00), 0 Bills to Pay (\$0.00), and 0 Expenses to Process (\$0.00). Includes a timeline from Past to Future.
- Bank**: Bank. Shows Balance in General Ledger (\$9,501.59), Latest Statement (\$9,748.20), and Difference (\$246.61). Includes a "RECONCILE 5 ITEMS" button and a "CONFIGURE" button.
- Cash**: Cash. Shows Balance in General Ledger (\$0.00), Latest Statement (\$320.00), and Difference (\$320.00). Includes a "RECONCILE 1 ITEMS" button and a "CONFIGURE" button.
- POS Sale Journal**: Sale. Shows 0 Invoices to Validate (\$0.00) and 0 Unpaid Invoices (\$0.00). Includes a timeline from Past to Future.

20. New flexible date filters allow you to group any date field of any document by day, week, month, quarter, and year.

The screenshot shows the Odoo Accounting module interface for Customer Invoices. At the top, there's a purple header bar with the title 'Accounting' and navigation links for Dashboard, Sales, Purchases, Adviser, Reporting, Configuration, and Administrator. Below the header is a search bar with the placeholder 'Invoice Date: Week' and a magnifying glass icon. To the right of the search bar are several small icons. The main area is titled 'Customer Invoices' and contains a table with columns: Customer, Invoice Date, Number, Salesperson, Due Date, and Source. Below the table, there are three entries: 'W25 2018 (1)', 'W26 2018 (1)', and 'W27 2018 (2)'. A red arrow points from the first entry to a dropdown menu labeled 'Filters'. This dropdown menu has a section titled 'Group By' with options: Partner, Salesperson, Status, Sales Channel, and 'Invoice Date'. Under 'Invoice Date', another dropdown is open, showing 'Day', 'Week' (which is selected and highlighted in grey), 'Month', 'Quarter', 'Year', and 'Due Date'. A hand cursor is hovering over the 'Week' option. The table data is as follows:

	Tax	Total	Amount Due	Status
W25 2018 (1)	00	0.00	4,610.00	4,610.00
W26 2018 (1)	00	0.00	4,610.00	4,610.00
W27 2018 (2)	00	0.00	1,275.00	1,275.00
	00	0.00	10,495.00	10,495.00

21. Customers can pay with their mobile banking app using SEPA QR codes.

22. New Configuration bars.

The screenshot shows the 'Invoices' page with a new configuration bar at the top. The bar includes a search field, filters, group by, favorites, and navigation controls. Below the bar, there are four colored circles connected by a horizontal line, each representing a step in a process:

- Company Data**: Set your company's data for documents header/footer. Includes a 'Let's start!' button.
- Invoice Layout**: Customize the look of your invoices. Includes a '★ Looks great!' message.
- Payment Method**: Configure your payment methods. Includes a 'Set payments' button.
- Sample Invoice**: Send an invoice to test the customer portal. Includes a 'Send sample' button.

Below the configuration bar is a table listing invoices:

<input type="checkbox"/>	Customer	Invoice Date	Number	Salesperson	Due Date	Source Document	Tax Excluded	Tax	Total	Amount Due	Status
<input type="checkbox"/>	YourCompany, Mitchell Stephens			Mitchell Stephens			\$ 424.98	\$ 0.00	\$ 424.98	\$ 0.00	Draft
<input type="checkbox"/>	Deco Addict	08/08/2018	INV/2018/0003	Mitchell Stephens	09/07/2018		\$ 525.00	\$ 0.00	\$ 525.00	\$ 525.00	Open

							10,919.98	0.00	10,919.98	10,495.00	

23. Right to left support, eg for the Arabic language.

The screenshot shows the Odoo application interface for a quotation. The top navigation bar includes Arabic labels such as 'الملايات' (Categories), 'تغیر الوابز' (Change View), 'المنتجات' (Products), 'أحد التغیر' (Change Type), 'الإدارات' (Administrations), 'مبيعات' (Sales), and 'الملفات' (Files). The main title 'SO074 / Quotations' is displayed at the top right. The interface is fully localized into Arabic, including field labels like 'العنوان' (Address), 'العنوان الفائز' (Winner Address), 'العنوان المقدم' (Offer Address), and 'العنوان المقدمة' (Offer Address). The product table headers are also in Arabic, such as 'المنتج' (Product), 'الوصف' (Description), 'الكميات المقترنة' (Associated Quantities), 'معلومات أخرى' (Other Information), and 'بيانات الطلب' (Order Data). The currency values are displayed with the dollar sign on the right side of the number, indicating right-to-left support.

المنتج	الوصف	الكميات المقترنة	معلومات أخرى	بيانات الطلب
Large Desk	[E-COM09]	1.00	0.000	1,799.00 \$

24. New report type: qweb-text.

25. Keyboard Shortcuts.

29. Moderation for discuss channel

The screenshot shows the 'Projects & Tasks' channel settings in Microsoft Teams. At the top, there are tabs for 'Discussions' (selected), 'Integrations', and a user profile for 'Administrator'. Below the tabs, there are buttons for 'SAVE' and 'DISCARD'. The main area is titled 'Projects & Tasks' with a"># Projects & Tasks' icon. It includes fields for 'Name' (#), 'Send messages by email' (checked), 'Moderate this channel' (checked), and 'Description' (Topics discussed in this group...). Below these are tabs for 'Privacy', 'Members', 'Moderation' (which is highlighted with a red border and has a red arrow pointing to it), and 'Integrations'. Under the 'Moderation' tab, there are sections for 'Moderators' (Administrator), 'Automatic notification' (checked), 'Notification message' (empty), and 'Send guidelines to new subscribers' (unchecked). A 'Ban List' button is located in the top right corner of the main content area.

30. Faster data entry with pictures of expenses or bills on the side of their corresponding document.

The screenshot shows the Odoo Expenses module interface. On the left, there's a form for entering an expense. The 'Description' field contains 'restaurant'. Below it, the 'Product' dropdown is set to '[EXP] Expenses'. The 'Unit Price' is \$128.94, and the 'Quantity' is 1.00. The 'Taxes' section is collapsed. The 'Total' is \$128.94. Under 'Paid By', the radio button for 'Employee (to reimburse)' is selected. The 'Notes...' field is empty. At the top, there are buttons for 'SAVE', 'DISCARD', 'ATTACH DOCUMENT' (which is highlighted with a red box), and 'SUBMIT TO MANAGER'. Above these buttons are status tabs: 'TO SUBMIT', 'SUBMITTED', 'APPROVED', 'PAID', and 'REFUSED'. To the right of the form, a scanned receipt from 'STONEWOOD GRILL & TAVERN Bradenton, Florida' is displayed. The receipt shows a meal for 3 guests at table 42, with items like cold beer, crab, mussels, and fish. The total amount is \$128.94. A large red arrow points from the 'ATTACH DOCUMENT' button towards the receipt image.

32. Automatically synchronize your currency exchange rates regularly with a new provider.

33. Detached chatter allows to quickly communicate on business documents without opening them.

34. Interactive calendar notifications and reminders pop up wherever you are in the system.

35. Push and Pull Rules have been merged.

The screenshot shows the Odoo Inventory module interface. At the top, there is a purple header bar with the title "Inventory" and navigation links for "Dashboard", "Operations", "Master Data", and "Rules". On the right side of the header, there is a user profile for "Administrator (350435-master-6e5628-all)". Below the header, the main content area has a breadcrumb navigation "Rules / WH: Stock → Customers". There are two buttons at the top left: "SAVE" (in green) and "DISCARD". At the top right, it shows "9 / 11" and navigation arrows. A large table below contains the rule details. The table has a header row with columns for "Name", "Action", "Operation Type", "Source Location", "Destination Location", and "Move Supply Method". The "Name" column contains the value "WH: Stock → Customers". The "Action" column dropdown is set to "Pull From". The "Operation Type" dropdown is set to "YourCompany: Delivery Orders" with a checked checkbox. The "Source Location" dropdown is set to "WH/Stock" with a checked checkbox. The "Destination Location" dropdown is set to "Partner Locations/Customers" with a checked checkbox. The "Move Supply Method" dropdown is set to "Take From Stock". To the right of the table, there is a note: "When products are needed in Partner Locations/Customers, Delivery Orders are created from WH/Stock to fulfill the need." A small "Active" status indicator is also visible next to the note. The entire interface is contained within a light gray box.

Name	Action	Operation Type	Source Location	Destination Location	Move Supply Method
WH: Stock → Customers	Pull From	YourCompany: Delivery Orders	WH/Stock	Partner Locations/Customers	Take From Stock

When products are needed in Partner Locations/Customers, Delivery Orders are created from WH/Stock to fulfill the need.

37. Filter panel, view switcher, and better screen management on mobile.

38. Complete end-to-end marketing ROI tracking with UTM s on emails, website, leads, opportunities, quotations, sale orders, invoices, and they're respective Reports.

39. Scheduling calendar-based activities are faster than ever.

The screenshot shows a contact management application interface. At the top, there is a navigation bar with 'Contacts' selected. Below the navigation bar, the title 'Contacts / Deco Addict, Floyd Steward' is displayed. There are 'EDIT' and 'CREATE' buttons. A toolbar below the title includes icons for Opportunit..., Meetings, Sales, Subscripti..., Invoiced, Customer Ledger, Analytic A..., and More. On the right side, there are buttons for Send message, Log note, Schedule activity, and Following. A small photo of Floyd Steward is shown next to his name. The main content area displays Floyd Steward's details:

Address Type	Contact	Job Position	
VAT		Phone	(145)-138-3401
Address	Elsie Drive 325 Franklin West Virginia 26807 United States	Mobile	
		Email	floyd.steward34@example.com

40. Website Bootstrap4.

41. Create multiple records at a time using create_multi.

42. Get things done easily with the new Activity view! Navigate quickly through calls, emails, meetings, and reminders you planned for yourself. Available on all objects for maximum integration.

The screenshot shows the Activity view interface. At the top, there's a navigation bar with 'Contacts' selected, along with 'Configuration' and other icons. Below the navigation bar is a search bar labeled 'Search...'. Underneath the search bar are filter options: 'Filters', 'Group By', 'Favorites', and a sorting icon. A red arrow points from the text 'Available on all objects for maximum integration.' to the 'Group By' button.

	To Do	Email	Call	Reminder	
Lumber Inc, Lorraine Douglas		Aug 21	Aug 13	Aug 7	
Gemini Furniture, Oscar Morgan		Aug 17			
Deco Addict, Douglas Fletcher	Aug 27				

A context menu is open over the third row (Deco Addict, Douglas Fletcher) in the 'To Do' column. The menu is titled 'Planned (1)' and contains the following items:

- To Do
- Due in 16 days

At the bottom of the menu is a button labeled '+ Schedule an activity'.

43. Easily share the tokenized public link of any portal document to anyone.

The screenshot shows the Odoo Sales module interface. A modal window titled "Share Document" is open. It contains fields for "Link" (a URL), "Recipients" (a list of contacts), and a "Note" (a message). A red arrow points from the "Link" field to the "COPY TEXT" button. Below the modal, there is a summary of the quote details and a table of order lines.

47. IoT box connects Odoo with any device: Manufacturing quality checks, stock label printing, PoS devices, attendance, etc...

The screenshot shows the Odoo IoT Device details page for a device named 'SY295'. The top navigation bar includes 'IoT' (highlighted in red), 'Devices', 'IoT Boxes', and a user icon for 'Sunpop'. Below the header, the URL 'Devices / [raspberrypi] SY295' is displayed, along with 'Attachment(s) ▾' and 'Action ▾' buttons. A 'EDIT' button is also present. The main content area shows the device's configuration with the following details:

IoT Box	raspberrypi
Identifier	bt_fa:e0:da:08:27:e5
Type	Device
Connection	Bluetooth

Below this, a section titled 'Quality Control Points' contains a table:

Reference	Title	Product	Operation Type
QCP00012	Measure the Angle	[FURN_9666] Table (MTO)	YourCompany Manufacturing

49. Odoo IM, Odoo Livechat, and Odoo Discuss notify you when someone is typing...

The screenshot shows the Odoo IM interface. On the left, there's a sidebar with sections for 'Inbox' (marked with a red arrow), 'Starred', 'CHANNELS' (with '# general' and '# Projects & Tasks'), 'DIRECT MESSAGES' (with 'Mitchell Stephens' and 'OdooBot' listed, the latter having a '2' notification badge), and 'PRIVATE CHANNELS'. The main area is titled 'Today' and shows two messages from 'YourCompany, Marc Brown' and 'YourCompany, Mitchell Stephens', both sent 8 minutes ago, with the message 'hi'. A red arrow points from the 'Inbox' section in the sidebar to the message from 'Marc Brown'. In the bottom right corner of the main area, there's a status message 'Mitchell Stephens is typing...' with a red arrow pointing to it. At the bottom, there's a message input field with 'Write something...' placeholder text, a toolbar with icons for attachments and mentions, and a large green 'SEND' button.

50. Customize your website and select your colors with the new "CSS Editor".

51. Possible to set put away strategy based on the product category as well as product.

52. Two Administrators: System/Odoobot and Administrator.

53. Drag and Drop attachments in Log

54. New field in Users form view, User Type, to identify whether User is Internal user or External user

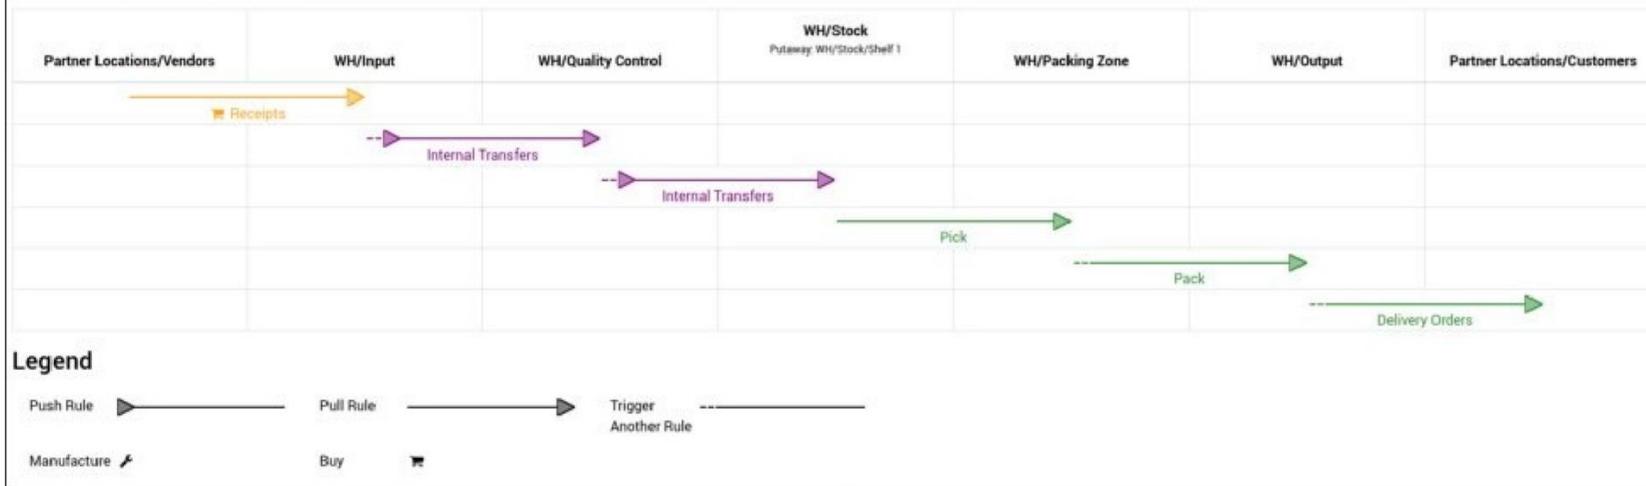

The screenshot shows the 'Users' form in Odoo. At the top, there are two status indicators: 'Published On Website' (green checkmark) and 'Active' (green checkmark). Below these are fields for 'Name' (Ivan Deng) and 'Email Address' (demo), each with a corresponding profile picture placeholder. Under 'Related Partner', it says 'YourCompany, Ivan Deng'. A navigation bar below includes 'Access Rights', 'Oauth', 'Preferences', 'Groups', 'Calendar', and 'Point of Sale'. The 'User Type' field is highlighted with a red box, showing a dropdown menu with three options: 'Internal User' (selected), 'Portal', and 'Public'. The 'Multi Companies' section shows 'Allowed Companies' and 'Current Company' set to 'Sunpop.cn'. The bottom right corner of the screenshot has a small circular icon with a question mark.

55. Reconciliation Improvements.

The screenshot shows the 'Settings' page in Odoo. The top navigation bar includes 'Dashboard', 'Users & Companies', 'Translations', 'General Settings', and a user profile for 'Mitchell Stephens'. Below this is a search bar. The main area is titled 'Settings' and contains a sidebar with icons for CRM, Sales, Website, Purchase, Inventory, Manufacturing, Invoicing, and Subscriptions. A red arrow points from the 'Setup' section on the left towards the 'Bank Reconciliation Threshold' configuration on the right. The 'Setup' section includes a checkbox for 'Hide the Configuration Steps bar' and a description about deactivating the 'Configuration Steps' bar. The 'Bank Reconciliation Threshold' section shows a date input field set to '08/01/2018'.
